Connecting and Serving the University of Arkansas Family

Paul,

The Pride of Arkansas Tour Stop in Rogers was a blast! We were glad to meet all of our local alumni in the area and have the opportunity to reconnect with you and share campus memories while hearing your stories.

We hope that you enjoyed being with us to watch the premiere of "The Razorback Family: Generations" and were able to catch up with your fellow graduates. We invite you to re-live the fun by [visiting our photo gallery](#) and [reading some of the stories](#) that were shared with us.

We'd like to take this opportunity to ask for your [feedback or suggestions](#) regarding our event. Was there anything we could have done to make your experience better? Your responses will help us make future events better. [Please take our short survey now!](#)

The Pride of Arkansas Tour reminds us just how amazing the University of Arkansas is and that is due to our wonderful alumni & friends like you; but our sustained excellence requires your support. Please become a member of the Arkansas Alumni Association so that we can continue to keep you connected to the University of Arkansas Family and plan future events for you.

"I graduated from UA in 1962 (BSBA). I had the distinction of having to drive the longest distance, within Arkansas, to Fayetteville from Wilmot (Ashley County). It was 370 miles. I was the 5th Brother in my Family to graduate from UA. Preceding me was William L. Jr, Richard L., John S, and Donald K Fuller. My oldest Brother, Kenneth W Fuller graduated from SMU on WW2 GI Bill. Although I had already served 4 years in the US Air Force when I enrolled at UA in 1959, I did not receive the GI Bill because Congress did not renew it until after I graduated. I worked as a bartender at Rogers Recreation Center on Dickson Street, to pay for my college expenses. I graduated in 3 years, 1959-1962. Also, two of my neices, Lisa and Kim Malone of Mountain Home also graduated from UA. My Dad, William L. Fuller Sr, attended UA in 1916-17. He said it took over a week to travel, by train, from Wilmot to Fayetteville, in 1916."

**Bryan Poe** I was one of the lucky ones that lived on campus, in my fraternity house, when Nolan and the mens BB team beat Duke for the National Championship. I've never seen anything like it. Complete and total bedlam. The entire sports world was focused on THE RAZORBACKS !!!! I'll never forget Dickson St. packed from one end to the other.
